L50 ELECTRONIC LOCK

DISTINCTIVE FEATURES

- Simple, fast and easy to use
- No key required
- Up to 20 different users
- 4- to 8-digit access codes
- Simplifies access management
- For cabinets and doors

THE IDEAL SOLUTION
FOR ACCESS MANAGEMENT

L50 ELECTRONIC LOCK

COMPATIBLE WITH ROUSSEAU'S PRODUCT LINES

HEAVY-DUTY AND COMPACT CABINETS

WORKSTATIONS

CLOSED SHELVING

Easy to use, practical and secure, the electronic lock is an invaluable asset for your business. You can use it to manage access to the contents of your drawers and cabinets. It is also compatible with most cabinets and doors manufactured by Rousseau. Because it is battery operated, it will continue to work during a power cut. There are many benefits to using an L50 electronic lock, and the first big one is: no more losing keys!

NO MORE TIME WASTED FROM LOSING KEYS OR LEAVING THEM AT HOME

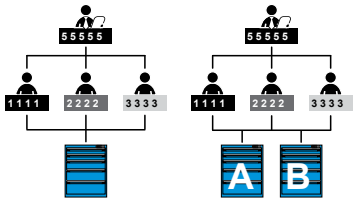

What if you forget your access code? It's easy: Simply reprogram the lock and you're back in business! Personnel changes are also easy to manage because you can have up to 20 different users programmed as well as a choice of three access levels (user, supervisor and administrator). You can either standardize codes across all your products or vary them for maximum security. You have complete flexibility to handle all scenarios and requirements.

MULTIPLE WAYS TO MANAGE ACCESS

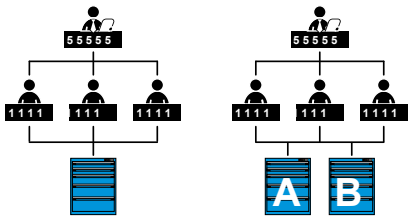

- Single code for everyone

- Different code for each user

- Supervisor code and different user codes

FEATURES AND OPERATION

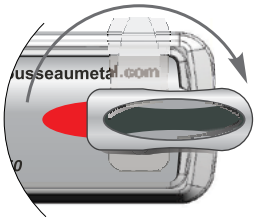

LOCK FOR DRAWER CABINET

Locks all drawers in R Heavy-Duty Cabinets and L Compact Cabinets

ACCESS CODE

Code can contain 4-8 digits and/or letters. Up to 20 different codes can be programmed

UNLOCKING

Turn clockwise to unlock
Simply return handle to its original position to lock

LOCK FOR DOOR

Locks swing doors on R Heavy-Duty Cabinets and L Compact Cabinets, Spider® Shelving and flipper doors.

INDICATOR LIGHTS

Lights indicate current battery life and whether a correct or incorrect code has been entered

BATTERY

- Indicator light shows current battery life
- Lock shipped with two AAA batteries
- Battery life depends on the type of battery used
- Battery can be replaced without dismantling the mechanism

REPLACING LOCKS

To replace standard L3 locks on your Rousseau products with electronic locks, please contact Customer Service
