## Traditional vs Mobile

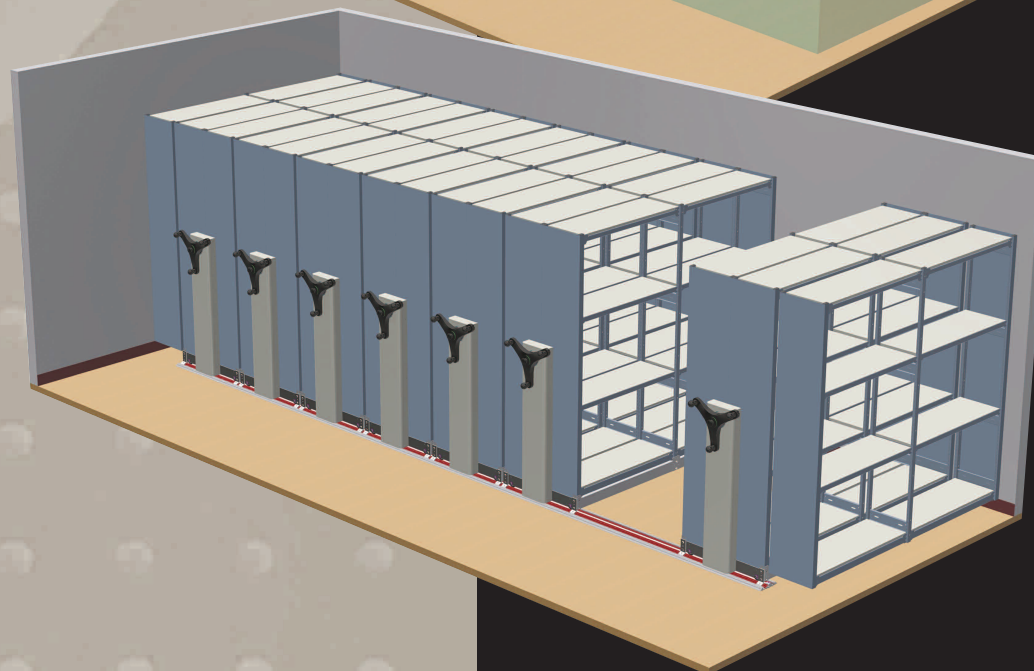

TRADITIONAL  
SHELIVING

**50%**  
SPACE  
SAVINGS

DOUBLE  
THE CAPACITY

## The Mobile Shelving Advantage

"Optimize stockroom capacity with our EZR High-Density Shelving System. Embrace innovative solutions for efficient space utilization, ensuring success in your operations"

### For general use:

- Optimize floor space usage
- Enhance accessibility & productivity
- Decrease operational expenses
- Experience rapid Return on Investment

### For retail applications:

- Boost stockroom space utilization
- Minimize stockroom footprint
- Amplify sales potential by maintaining higher stock levels at the point of sale
