UNRIVALED QUALITY

DRAWER AND SUBDIVIDING

IDEAL FOR A RANGE OF ENVIRONMENTS

OFFICES

The R drawer has been designed with great attention to detail. Everything has been thought of to create a timeless design that remains stylish over the years. The R drawer leads the market thanks to the wide range of dimensions and accessories available, its modular design and, above all, its impressive durability. To back up our confidence in the build quality, we offer a lifetime warranty on the drawer rolling mechanism. There are also other safety mechanisms available: integrated lock-in, econo lock-in, lock-out, vertical security bars and drawer locks.

FACTORIES

COMPATIBLE WITH OVER 35 SHELVEING BRANDS

R drawers can be used in an R cabinet, under a workbench, in a multi-drawer cabinet and in shelving units. Adding drawers to shelving significantly increases storage space while also improving organization and identification of small parts. Rousseau is the only manufacturer to offer drawers that are compatible with over 35 different shelving brands. Whether you want drawers for your toolbox or for easier inventory management, by choosing the R drawer you are investing in a quality storage solution that will evolve in line with your business needs.
